

TLC Fall Kick-Off Week 2020

Educating with Equity in the COVID Environment.

Will your district be virtual? In-person? Hybrid?
Orenda has a strategy to fit any district re-entry plan.

Five Days of powerful teaching strategies with materials to use for the upcoming school year. Up to four hours of workshops, learning modules and coaching each day in a virtual setting. Guided Planning and coaching sessions are embedded into the live workshops so that you can walk away ready to get your school year started.

Three Weeks to Choose From:

JULY 20TH - 24TH

AUGUST 3RD- 7TH

AUGUST 17TH- 21ST

Your teacher teams and admins will learn to:

- Educate in a geographically neutral, geographically fluid environment
- Maximize online learning and small group instruction for all types of learners
- Attend to the needs of struggling students and those students that are ready to extend their learning
- Apply an equity focus to teaching and planning
- Collaborate with colleagues every week to share resources and best practices (during work hours!)
- Use formative assessment data to inform your instructional focus with students

For more information or to discuss simple group pricing for your entire district to attend, contact:
